Dear Potential Applicants,

You are cordially invited to apply for the Asian Deans’ Forum 2018 – The Rising Stars Women in Engineering Workshop, hosted by the Hong Kong University of Science and Technology (HKUST) and organized by National Taiwan University (NTU), National University of Singapore (NUS), Seoul National University (SNU) and The University of Tokyo (UTokyo), co-sponsored by The University of New South Wales (UNSW), will be held at HKUST in Hong Kong on 4-7 October 2018.

Organized by Asia’s top engineering schools, this workshop aims to bring together young female professionals in engineering disciplines, including scholars, researchers and engineers interested in exploring and advancing careers in academia, for scientific and career-oriented discussions relevant to the development of women academic leaders in Asia. Insightful plenary and keynote lectures, panel discussions and mentoring sessions will offer participants a glimpse into an academic career in top Asian universities.

If you would like to be a part of innovative engineering education and network with professionals in engineering disciplines, this workshop will provide a platform for such purposes. Applications are now open with a deadline of 30 April 2018 (GMT+8). For details, please refer to the enclosed e-poster or visit the website: http://risingstarsasia2018.ust.hk.

For enquiries, please contact The Secretariat of the Workshop at +852 2358 8446 or via email at adf.risingstars@ust.hk.

With warmest regards,

Kwang-Tung Cheng
